

CHARLENE foote

Design lover and excitable front-end developer — I am a digital craftsman from concept to launch.

EMPLOYMENT

Designer & Front-End Developer

FREELANCE *June 2006 to Present*

I manage, organize, design and develop based on clients' print and digital creative needs. I guide clients and manage projects from inception to delivery and beyond.

Lead Designer & Front-End Developer

BIG SEA DESIGN + DEVELOPMENT *August 2011 to November 2013*

I design for print, identity, web, mobile and user experiences. I build digital interfaces using HTML, PHP, CSS, SASS, and jQuery while maintaining web standards.

Marketing Manager

ASPIRE FINANCIAL SERVICES *January 2007 to August 2011*

I was responsible for creating and maintaining the brand and marketing materials. I designed, developed and maintained the company's website as well as client websites.

Graphic Designer

OPUS SOUTH CORPORATION *July 2005 to January 2007*

I created ads, signs and marketing materials while maintaining and reinforcing the company brand.
